

# MANIC CONFIDENCE

HAZY ENOUGH INDIA PALE ALE

Some will say that we're late to the hazy trend, but we think we're right on time. Manic Confidence is a hot tropical island vacation dissected and reconstructed in the form of a refreshingly juicy craft brew. Sunny, sweet bitterness of Galaxy, Enigma, Comet, Strata, Citra, and Idaho 7 hops floods the taste receptors, resulting in a salivating joy that leaves you craving for more.
