(Gouds & Dangerous)

Stroopwafel Barley Wine

Alc. 11% vol. / drink at 10°C / 330ml

With a blow of Perle,
Premiant, Stroopwafel

Mindblowing Craft beer

"You experiment, give it a taste and then do it all again.
You fall flat on your face and pick yourself back up.
Until finally, you experience that sip, that tingling sensation
that opens up new worlds. It's an extraordinary feeling.
Beer is craftsmanship, it is our passion. It is simply who
we are. That is exactly what raises beer to an art form."
- Menno Olivier
